★★★ THE BEHOLD A PALE HORSE AWARDS ★★★
Because Being Born In A Stable Does Not Make One A Horse

The Contestant: CHRIS BROWN

"And I looked, and behold a pale horse: and his name that sat upon him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with the beasts of the earth." Book of Revelation 6:8. Can you spot the inconspicuous pale horse that brings Hell along with him? Chris Brown can. And that's why he tweeted this: "All this demonic music is wack as s---! What happened to people being happy? #yeahisaidit. That s--- weak! I never claim to be no saint but by no means am I trying to promote death, violence and destruction with my music! #f--outtahere." The pale horse Chris thought he saw (Tyler the Creator) responded: "Why Is Chris Brown Talking So Much S--- About Metallica? Weird. N---- Look Like A Box Of Pops. N---- is A Stunt Double For A Highlighter." To which Chris replied: "Never mentioned @f--tyler or any of them N----! General statement and your hype man hodgy caught feelings! #n---thatfeelguilty." And now...free jewelry: Some people serve God in such a manner as not to offend the devil. Think about it.

The Contestant: MIGUEL

Miguel once spotted the pale horse that brings Death and Hell along with him. And when power was given unto them to try and destroy Miguel's career by killing it with splashy rumors and touchy innuendo about his sexuality, Miguel addressed it with The Kenny Burns Show saying: "At this point, I've embraced a lot of worldly cultures and I made it a part of who I am. People who are here who have not done that may look at my choices artistically, how I express myself visually and ecstatically as questionable, especially to my sexuality. Whereas, people who have traveled or who have done the same, it's not questionable at all [to them]. I don't say that in anyway to offend anyone, I'm just saying if you don't understand you got to catch up. We're flying. For anyone that questions my sexuality, the honest truth is I love women. I've always only loved women. That's it. And women kind of like me too, so it kind of works." And now... a Revelation of my own: Self-revelation is a cruel process because you can look in ten different mirrors and see ten different faces.

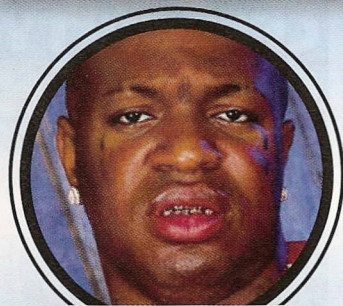

The Contestant: KID CUDI

Like Miguel, Kid Cudi also has the power to spot the pale horse that brings Death and Hell with him. And when the pale horse took the form of a green plant, Cudi battled with it and eventually went thru Hell. And now...Cudi explains what that Hell was like: "You know how some people can take a smoke and they're good, they do it for recreational purposes, s--- like that? I was the motherf----- who was doing that s--- all the time, recreationally, every day, wake up, needed it, all those things. While I was in that state of mind I just was missing a lot of s--- that was going on in my circle. I just felt like I needed to just take a step back, clear my dome and focus on some real important s----. Like my daughter for one. My family, my business, things that are important. But you know, don't be sad, I had a good run right? We got high together a lot right?" And now...you never know how a pale horse will pull until you hook him to a heavy load ice jewelry. Did you see it?

★★★ AND THE WINNER IS...★★★
Ultimately, the rider of the pale horse. But you don't hear me doe.
