Because Depending On The Rabbit's Foot Didn't Work For The Rabbit... Or Me

The Contestant: **YUNG BERG**

Let EbenGregory tell it, each misfortune you encounter will carry in it the seed of tomorrow's good luck. That is not the case here. What is happening here is "Hoe S---." For example, Hoe S--- happened in 2008 when Yung Berg was robbed of his Transformer chain — which incidentally is still on tour in a hood near you. For example, more Hoe S--- happened later in 2008, when Yung Berg was open-hand slapped by the hand of God, aka Maino. For example, Hoe S--- recently happened a couple of weeks ago when Yung Berg had his Batman chain snatched off his neck. And now... here's Yung Berg explaining why he doesn't mind Hoe S--- happening to him: "Nothing has been taken from me that has any real value to me. Unless they take my vocal chords or my ability to make a beat, then I feel like I haven't lost anything. Anything that's materialistic I can get back... I don't even want to talk about that because this shall pass, too." I see said the blind man. Too bad it requires more courage to suffer in silence than to keep dealing with Hoe S---.

The Contestant: **CHINGY**

Imagine being a well-known rapper who in 2005, at the AVN Awards, seemingly cluelessly dirty-danced with Tranny porn superstar Vanity during your musical performance, and even let the Tranny grab your man meat. Imagine being that same rapper a couple years later and a Tranny rapper named Foxxjazzell claimed to have had a continual relationship with you in which he-she alleged that you were "most definitely the receiver" and "liked it anyway he gave it to you." Imagine being that same rapper several years later and another Tranny model named Sydney Star claimed he-she had an on/off relationship with you for two years. Imagine if that rapper tried to dispel the three aforementioned coincidences by saying in several interviews: "That's some straight bulls---. I don't have a secret lifestyle, my n---. I didn't know somebody could hate a n--- that much to where they would actually go and make this s--- up... They can eat a d--- 'cause that's just outta line. But you know, that's just some funny s---, what they're trying to pull off!" Now... imagine EbenGregory seeing this story and saying Chingy is cursed and these Trannies are the proof.

The Contestant: **BEANIE SIGEL**

In EbenGregory's world, if you can make the bread and butter, you shouldn't need luck to also be able to make the toast. Kinda like how Beanie Sigel made about \$1.5 million (bread and butter) from 2002 to 2004, but didn't have enough to pay any of his taxes (toast). And now... Beanie Sigel's lawyer Fortunato N. Perri, Jr. explains to the Philadelphia Daily News why being charged with tax evasion is just a case of bad luck: "I don't think he's being targeted, he just needs to get his personal business and tax affairs cleaned up. While he was in prison, other individuals were handling his finances. Some of the business relationships he had with some of the players involved make it more difficult. We're trying to resolve the issues as quick as we can." I see, I said. And now... free catching a Federal tax evasion charge is bad luck, ice jewelry: The day you decide to pay your taxes will be your lucky day, because although America is a land of taxation that was founded to avoid taxation, the difference between tax avoidance and tax evasion is the thickness of a prison wall.

What They Said, What EbenGregory Thinks They Mean

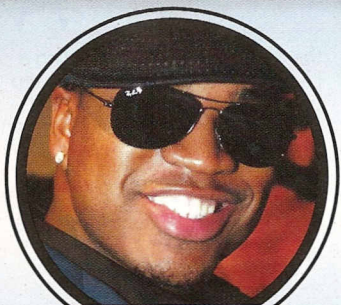

SYDNEY STAR

"Basically, I told him my situation and he did not believe me. He was very, very shocked, and kinda was like, in denial. I said, 'If you not down with that, I could leave,' and he said, 'Nah, I still want that. I still want that.' And we did that."

- Transgender Sydney Star explaining how he- she started allegedly flat-backing Chingy on and off for two years.

What EbenGregory Thinks They Mean: When a Tranny and a man come together as one, the end result is two half men.

NE-YO

"ALL HACKERS DIE SLOW!! It's stealing plain and simple! There's places where they cut people's hands off for less! Y'all SUCK!!!! My apologies, y'all. Try to stay positive but these hackers really make me wanna stab somebody!!!"

- Ne-Yo in a couple tweets describing why he wants to give a hacker a wet t-shirt.

What EbenGregory Thinks They Mean: You hate someone whom you really wish to love, but whom you cannot love. Perhaps he himself prevents you. That is a disguised form of love.

WAKA FLOCKA

"I read the Machiavelli war tactic books, his biography, everything. My brain, I'm so sharp, I can play stupid on the camera and they think I'm dumb. So really, you just playing yourself. I'm so ahead of y'all. That's for the bloggers."

- Waka Flocka speaking on his dumbed-down rapper persona.

What EbenGregory Thinks They Mean: A great deal of intelligence can be invested in ignorance when the need for illusion is deep. But you don't hear me doe.

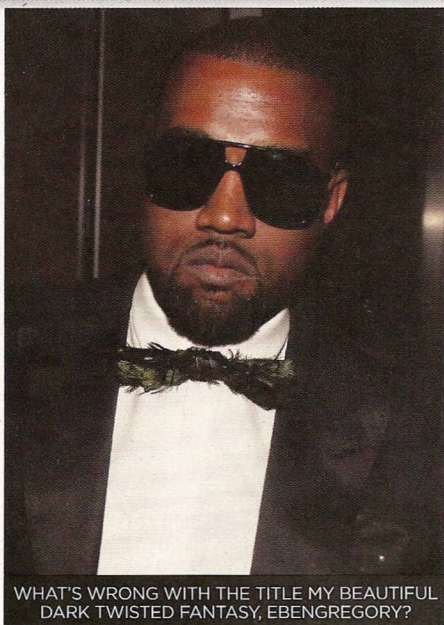

CIARA

"In reference to the Keri situation, I'm so in a different space mentally I can't even bring myself to do that. It's not [important] to me. There's just so much stuff to get out of life than that. Personally, I've decided that it doesn't make sense to do that."

- Ciara talking about but not talking about the "Keri" situation.

What EbenGregory Thinks They Mean: A long dispute means both parties are wrong.
