*Because Marriage Is A Wonderful Institution, But Who Wants To Live In An Institution?*

### The Contestant: **THE-DREAM**

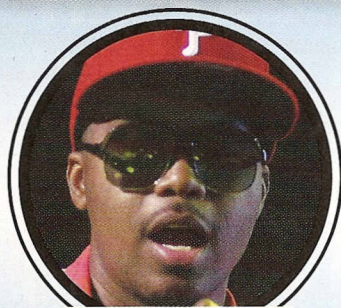

In EbenGregory's world, bigamy is having one husband or wife too many. In The-Dream's world, apparently monogamy means the same thing. And unfortunately for Christina, this would also mean that in marrying The-Dream...she would be exchanging the attentions of many men for the inattention of one. Re-read that. And now...a short story tragedy. I call this...A "Dream" Wedding Is Just Like A Funeral Except That You Get To Smell Your Own Flowers. Act I: The-Dream and Christina Milian meet, fall in love, get pregnant, and eventually say "I do" in Las Vegas in September 2009. Act II: The-Dream soon realizes that his wedding ring is the world's smallest handcuff and jail-breaks himself by secretly serving Christina with divorce papers nine days before she gave birth to their daughter-saying the marriage was "irretrievably broken and there was no hope for reconciliation." Act III: Racy photos of The-Dream frolicking in the arms of another woman while exchanging sex faces on a sandy white beach hit the Net. Act IV: After getting caught with his hand in the cookie jar, The-Dream releases the following statement: "Terius 'The-Dream' Nash is saddened to announce that his marriage to Christina Milian was unsuccessful. The couple reached this decision in late 2009, but decided to keep the news private in efforts to protect their baby daughter Violet. They ask for consideration and respect for their family moving forward." Act V: People begin to feel sorry for Christina after she learned the hard way that how long The-Dream chose to love her would never be her decision. Act VI: Feeling the heat, The-Dream drops an open letter to Christina and his "fans" saying the following: "First I want to thank God for the trials of life, without them we can't know purpose! I would love to tell the truth as to why my relationship wasn't successful, but today that is between me and Christina. It's easy to say that it's because of another woman or a new relationship but truthfully, IT'S NOT. I take FULL RESPONSIBILITY for misleading everyone into thinking everything was fine and okay when we knew problems existed for awhile! I wanted to speak up but we decided it wasn't for anyone to know. Instead of being direct in order not to cause even more hurt or hurt someone's feelings, I carried the weight in secret! (Insert blah, blah, blah...) I am human and people fall in and out of love all the time...my faults are I can be irresponsible and an ass sometimes, but I HAVE NEVER and WILL NEVER be a malicious person or wish harm to anyone, especially those I love or the mother of my child. I'm sorry for the embarrassment to everyone involved! If there's anyone to blame and you can't fathom this happening, please blame me and me alone for not being upfront! (Insert more babble babble, blah, blah from Dream that you don't care about...) I've cried about this for months, after interviews, after prayer, and I've tried to take my own life at a point because of the failure that was looming." Oh for real...you tried to "take your own life." I see said the blind man. And now...the trouble with some women is that they get all excited about nothing-and then marry him ice jewelry. Did you see it?

What They Said, What EbenGregory Thinks They Mean

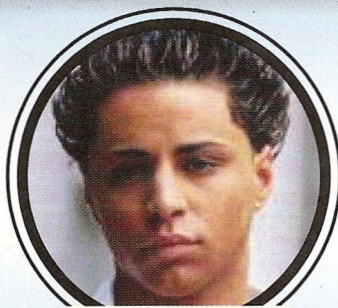

NAS

"I think it's a good thing to marry-I had great hopes. I thought we were going to go through it big, but two people are not, we gotta become one mind in a way. Two people think about life different, they see things different and then you just grow in different directions but I had a great time."

-Nas taking the high road while reflecting on his marriage to Kelis.

What EbenGregory Thinks They Mean: Marriage is a word which should be pronounced "mirage." (Free It's Not Diss Jewelry, It's Real Jewelry)

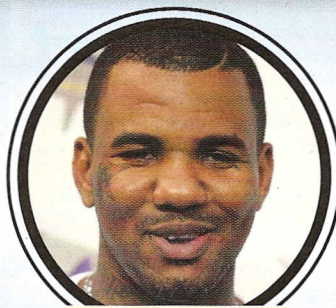

CARMINE AGNELLO

"He should have asked for permission. A standup, respectable guy would come and ask if I could use the nickname. I think he's a great artist, but you can't just start calling yourself that to sell records. Only in America can you go from being a corrections officer to calling yourself Teflon Don."

-Carmine Agnello, grandson of late mob boss John Gotti, expressing his displeasure of Rick Ross' naming his latest album *Teflon Don*.

What EbenGregory Thinks They Mean: While an original is always hard to find, he is easy to recognize..

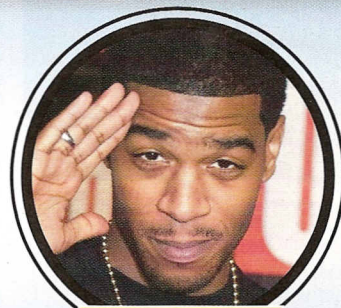

GAME

"That n---- Dream look like Carl Winslow out there blood.....& wit that belly blood need to be in "BELLY 3" straight to VHS. I know Christina feet ain't the bizness & all but, damn.....you leave her & the baby for L.A.'s version of "MASTER SPLINTER?" #dayyyyyyyum"

-The Game sideline going in on The-Dream for handling Christina with a long spoon.

What EbenGregory Thinks They Mean: People who are brutally honest get more satisfaction out of the brutality than out of the honesty.

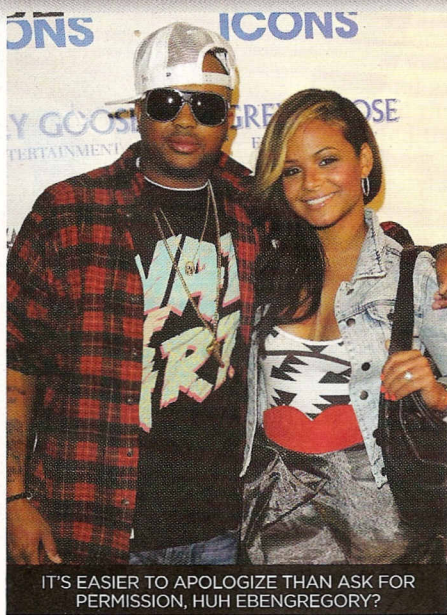

KID CUDI

"I know you guys were hearing some s--- about me in the news. I was wilding out and s---, but I'm good now. I just smoke weed. I know n----- die when they 27. I'm 26 now, but I promise I'll live til I'm old as s---."

-Kid Cudi explaining why he was arrested for going over to his lady friend's house with liquid cocaine in his pocket and then...breaking her door down.

What EbenGregory Thinks They Mean: Cocaine is God's way of saying you're making too much money. Say word EbenGregory.
