★ ★ ★ THE MATRIX HAS YOU AWARDS ★ ★ ★

*Because The "B---- You Crazy Awards" Would Have
Been Too Harsh, Right?*

The Contestant:

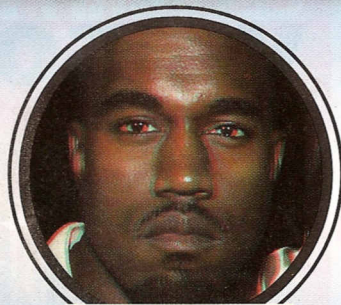

MONTANA FISHBURNE

And now... a short story. I call it: "B---- You Crazy."
Prologue: Several years ago, Willie Norwood Jr. makes a
"movie" featuring himself flat-backing Kim Kardashian
and showing her his mating habits. The movie eventually
gets sold. Checks get cut. The clock starts but never stops
on everybody's "15 minutes" and Willie Norwood Jr. goes
from Brandy's brother to Ray J while Kim Kardashian
manages to turn doing next-to-nothing into a multimillion-
dollar industry. Act I: Morpheus' daughter decides that
the world she knows is a world too slow. Act II: Morpheus'
daughter goes to see the Oracle, who apparently tells her
that if she wants to actually live in a simulated reality
like Kim Kardashian, she too should make a "movie."
Act III: Morpheus' daughter takes the blue pill and
willingly plugs herself into the Matrix. Act IV: Once inside,
Morpheus' daughter-determined to create a simulated
reality highlighted by a complex storyline with unexpected
plot twists that will leave many viewers a little (or a lot!)
confused-seeks out her own Willie Norwood Jr. to make a
"movie" with. Act V: Morpheus' daughter meets a muscle-
bound porn agent named B. Pumper and makes a flat-back
"movie" that should've been titled, How to Embarrass
My Famous Dad. Act VI: Morpheus' daughter sells her
movie. Checks get cut. And the clock starts on Morpheus'
daughter's "15 minutes." Act VII: Morpheus' daughter
tries to extend her "15 minutes" by saying stuff like this
in interviews: "I view making this movie as an important
first step in my career. I've watched how successful Kim
Kardashian became and I think a lot of it was due to the
release of her sex tape. I'm hoping the same magic will
work for me. I'm impatient about getting well-known and
having more opportunities, and this seemed like a great
way to get started on it. I'd say about 16. I lost my virginity
and the whole sexual world sparked my interest. I think
it was just wanting to explore sexuality. 'Cause I know
it's such a big world I was just like, wow, well since I like
sex...I wanted to see everything that I would like, every
kind of fantasy I would like, and porn is a way that I could
explore that. I absolutely didn't make this movie to hurt
my parents or bring shame to my family name. I heard that
he's (Morpheus) mad at me, but I haven't spoken to him
yet. I feel pretty confident that I can work things out with
him. I think he wants to support me in everything I do, and
though he sees this now as a negative, I believe in time
he will view it as a positive." I see said the blind man. And
now... a message to Morpheus' daughter from EbenGregory:
Dear Morpheus' daughter...a violation of the father-
daughter relationship leads to a fracturing of the psyche
for both people. Both go to great lengths to repress that
violation, but in deeper terms they become less than whole
as they carry the violation around. Many times it is seen
that the bond between a father and daughter gets stronger
when there is a crisis in a family. Not here. Going forward,
the father of a daughter such as you can be nothing more
but a high class hostage to your simulated reality. You killed
him. And if you can't understand that...then b---- you crazy.

What They Said, What EbenGregory Thinks They Mean

KANYE WEST

ICE CUBE

FANTASIA

50 CENT

"That (Amber Rose) was a one-off... I'm not trying to dive into anything unless I really, really think that I can marry this person. I look at this person and I say, 'This is how I want my daughter to be.'"

-Kanye West, I guess explaining why things didn't work out with Amber Rose.

What EbenGregory Thinks They Mean: First feelings are always the most natural.

"Once your kids get to a certain age you can't control what they do. You can only hope that they do the right thing, do what you taught them, and sometimes they don't! I don't feel like he did a bad job or he didn't do his job as a (parent). Kids just do what they do."

-Ice Cube commenting on the "Black Girl Lost," whose father once told Neo to choose between the red pill or the blue pill.

What EbenGregory Thinks They Mean: The first half of our lives are ruined by our parents and the second half by our children.

"Fantasia had become overwhelmed with personal things she was going through. She took some aspirin and took a few too many trying to get to sleep... trying to get away... and she took a few too many."

-Fantasia's manager Brian Dickens in a statement trying to make sense of 'ol girl swallowing a bottle of pills after being named in a lawsuit and accused of making a sex tape with a married man.

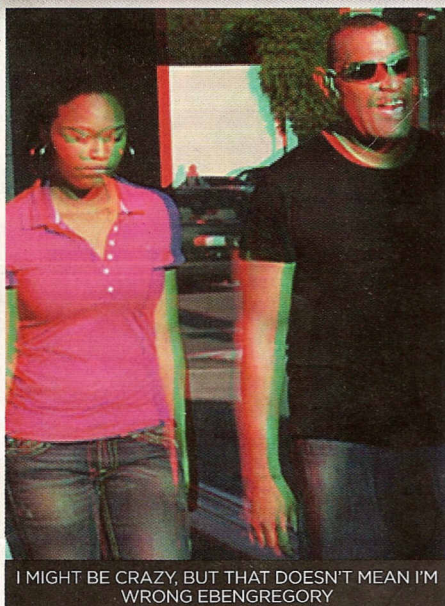

What EbenGregory Thinks They Mean: Suicide is man's way of telling God, "You can't fire me-I quit."

"I think it's the way you try to gain attention. You've been gone for ten years so you couldn't have had no issues (with me). Shut up, you're on a f----- island! You can't go to war from a f----- island! F--- Shyne! F--- Def Jam! I don't care you went to jail! I hope you got raped by a pack of n-----!"

-50 Cent going Mel Gibson on Shyne during his uStream Def Jam press conference.

What EbenGregory Thinks They Mean: The object of war is not to die for your country but to make the other bastard die for his.
