## ★★★ THE WISHING ON A STAR AWARDS ★★★

*Because When The Gods Wish To Punish You, They Answer Your Prayers*

### The Contestant: **GAME**

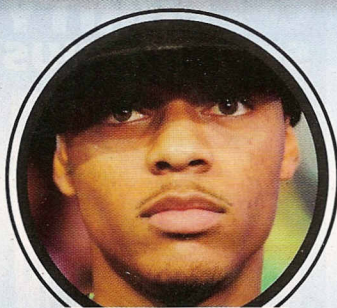

Legend has it that wishing upon a shooting star makes the wish come true. It is believed to have originated in Europe, when Greek astronomer Ptolemy wrote that the gods occasionally, out of curiosity and sometimes boredom, peered down at the earth from between the spheres and stars. Sometimes the gods slipped, and when they did, they became visible as shooting or falling stars. And since the gods were already looking at us, the legend says they tended to be more receptive to the wishes people would make. Too bad we would often be sorry if our wishes were gratified. And now, the Game's wishes for gratification on a falling star in hopes of reuniting G-Unit. I call this...@50cent: "@50cent Aye n---a, get on twitter & let's get this s--- movin'!!! **TOP TEN REASONS WHY GAME CAN FORGET ABOUT REUNITING WITH 50 CENT AND G-UNIT**

10. Because Fiddy don’t take fences down when he knows why it was put up.
9. Because if Game thinks there’s a solution, he’s part of the problem.
8. Because treason is like diamonds; there is nothing to be made by the small trader.
7. Because goodbye isn’t painful unless you’re never going to say hello again.
6. Because G-Unit can’t forgive and forget, so they picked one. Guess which one?
5. Because rap crews are like broken glass, and it’s better to leave them broken than hurt yourself trying to put them back together.
4. Because sometimes you have to get to know someone really well to realize you’re really strangers.
3. Because it’s better to mistrust a former friend than to be deceived by them.
2. Because when things go wrong, Fiddy don’t go with them.
1. Because fake friends are like diapers - They both need changing regularly and for the same reason.
