

# JEWELRY IS A GIRL'S BEST FRIEND

## The Relationship Mixtape Starring EbenGregory

### For Immediate Release

Washington, DC, Nevuary 32<sup>nd</sup> /PRNewswire/-- EbenGregory announced today that he's released his latest mixtape; *Jewelry Is A Girl's Best Friend*. The new audio jewelry features people expert EbenGregory explaining the life cycle of a relationship - from a man's point of view.

"This relationship mixtape is for all my Ladyfriends who know that men are easy to get but hard to keep," said EbenGregory. "My relationship jewelry is going to help women across the world have more meaningful relationships with men, as well as, educate them on the lifecycle of a relationship - from a man's point of view."

The futuristic, comedic and thought-provoking mixtape is hosted by DJ P-Cutta and gives an analytical overstanding of the seven different stages of a relationship including:

- Attraction Phase
- Honeymoon Phase
- Reality Phase
- Commitment Phase
- Betrayal Phase
- Marriage Phase
- Re-seduction Phase

"This mixtape will revolutionize the way women get to knowing if they've found 'The One' to getting serious and really making the relationship work," revealed EbenGregory. "Love lasts longest when the relationship comes first and this mixtape is a fresh new twist in being the blueprint for that."
