★★★ THE I MEANT IT, BUT I DIDN'T MEAN IT AWARDS ★★★

Because The Meaning Depends Upon What The Meaning Of The Word 'Means' Is

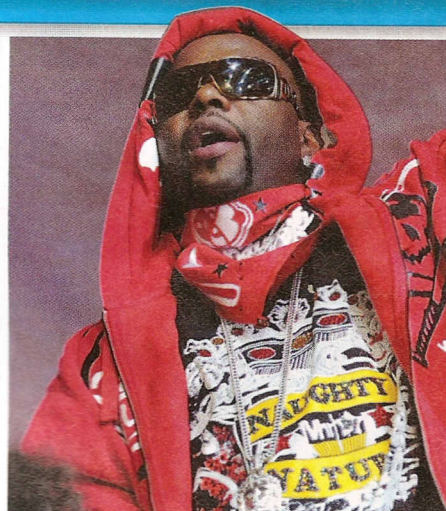

The Contestant: **KREAYSHAWN**

Let EbenGregory tell it, being free of pretence does not mean you are in touch with the truth. Sincerity is not proof. Case in point, about a month-and-a-half back, Kreyashawn dissed the "Bawse" in a rap. About a month later, the Bawse caught up to her at the VMAs where they had an aggressive "meet and greet." A couple weeks after that, Kreyashawn said this: "I definitely learned a good lesson on, you know, 'cause what I said about him wasn't like, I don't have any problem with him, you know what I'm saying. I've listened to his music. He's Rick Ross; he's a boss. It was just me goofing off with my friends and taking it too far. It's definitely taught me to watch what I'm saying at certain times. Especially saying stuff that you don't really mean, joking off with your friends. And if I was nobody, it wouldn't have even mattered but now that I have the star power -- it's a big deal." I see said the blind man. And now... never ruin an apology with an excuse ice jewelry. Did you see it Kreyashawn?

The Contestant: **DIDDY**

Most aggressive conversations are simply monologues delivered in the presence of a witness. Kinda like the time Diddy grew upset because some patrons were holding up Grey Goose instead of Ciroc at the BET Hip Hop Awards after-party he was hosting. Says Diddy during his verbal tirade before he threw his drink across the room: "Put that s--- down. It's Ciroc Boys in the building. What you gonna do? This is my house, b---a- n---, put that s--- down. F---in' f---- light-skin b---." A couple days later, Puff had a change of heart about how he said what he said, saying the following via Twitter: "I'm a child of God and I should be better no matter what someone says to me. I'm sorry for the ignorant way I represented myself and us. To all my children of God...I have backslid and regressed. Forgive me for my ignorance. Pray for me pls. I know better and I am better. I will humble myself and learn." And now... The most important thing in communication is hearing what isn't being said. But they don't hear me doe.

The Contestant: **TREACH**

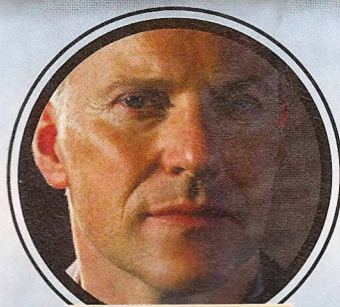

Words differently arranged have a different meaning, and meanings differently arranged have different effects. Like if Treach says he was the cameraman for a Tupac sex tape, he means he was the cameraman for the Tupac sex tape. Says Treach about the Tupac sex tape he filmed: "We hung out and found a couple of chicks and head back to the hotel. We had a double room. I had my room; he had his room. I had a little video camera, so me and my little chicky we taping s---, getting all wild. Pac in the other room with the door cracked. So I told my chick to shhh. So I go up in there and I start taping it from the door and he just banging it out on the bed, banging it out. So I'm taping and I hit the door. And boom...they both jumped up. He's like, 'Man, what the f--- are you doing? I know you not taping this s---. What the f---?' Then he whispered, 'You got it? Good!'" And now...free jewelry. Meaning is not what you start with, but what you end up with.

★★★ AND THE WINNER IS...★★★

Whoever you decide based off weighing the meaning and not looking at the words.

What They Said, What EbenGregory Thinks They Mean

TOM CORSON

"RCA is shutting down Arista, Jive and J Records and all of the artists currently signed to those labels will be folded into the RCA Records roster. The path we've taken is to refresh RCA, so we're going to retire those brands. There may be a reason down the line to bring them back, but it's a clean slate here."

- RCA president and COO Tom Corson explaining why RCA "retired" Arista, Jive and J Records.

What EbenGregory Thinks They Mean: The trouble with unemployment is you're on the job as soon as you wake up.

NICKI MINAJ

"I felt like nothing was working. I had moved out on my own, and here I was thinking I'd have to go home. It was one dead end after another. At one point, I was, like, 'What would happen if I just didn't wake up?' That's how I felt. Like maybe I should just take my life?"

- Young Money's Nicki Minaj opening up about a past contemplation to commit suicide.

What EbenGregory Thinks They Mean: Suicide is man's way of telling God, "You can't fire me - I quit."

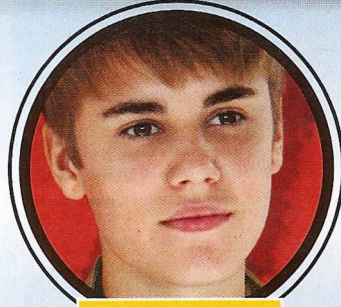

NATALIE NUNN

"I enjoyed every minute of hanging out with Lil' Kim and that kiss was the most amazing day of my life. She was my generation of bad girls when I was young. That's what I listened to. Her inviting me to hang out with her in Miami was more than a dream come true."

- Reality star Natalie Nunn offering details behind recently locking lips with Brooklyn rapper Lil Kim.

What EbenGregory Thinks They Mean: Her kisses left something to be desired - the rest of her.

JUSTIN BIEBER

"I think I've worn women's jeans before because they fit me better. I just think that whatever works, works."

- 17-year-old pop phenomenon Justin Bieber acknowledging the fact that he has rocked women's jeans because of their suitable (read tight) fit.

What EbenGregory Thinks They Mean: Skinny jeans keep a n---- biscuit from slipping. Insert Kanye shrug here.
