★★★THE THUG CHANGES AND LOVE CHANGES★★★ AND GOOD FRIENDS BECOME STRANGERS AWARDS

Because Sometimes You Really Don't Know A N---- Like You Think You Do

The Contestants:
RAY-J & FABOLOUS

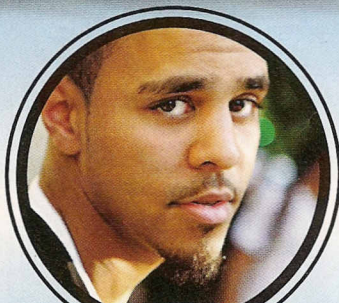

And now...a short story about former friends. I call this: A Thug Changes and Love Changes And Good Friends Become Strangers. **ACT I:** Ray J gives Floyd and friends an impromptu concert in Floyd's living room during an episode of HBO's 24/7. **ACT II:** Fabolous, who happened to be watching, saw the concert and tweeted: "N---- Ray J doin a concert in his living room...Lmaooooo. Nah but Floyd saying we havin a concert in my living room & the camera cuts to Ray J singing "One Wish" on the piano had me in tears!! Get it...? Ray J concert in the living room!! "Lil Wayne voice"**ACT III:** Ray J is not happy about the tweets and decides to do something about it. **ACT IV:** Ray J and Fabolous see each other in Vegas and an "altercation" ensues. **ACT V:** Three sides of the story are told. Here's Ray J's side as told to Power 105.1's Breakfast Club: "I socked that n---- in the face. Don't disrespect me and Floyd like that. I play piano on that mutha---in' piano every day. That's my big bro. We grew

up together. So if you think I just came over there and sang a song, you got me mutha---in' twisted. I'm with the Money Team right now. When I seen him, I was with Floyd and 50 and that n---- said 'Don't touch me,' and I touched that n---. These n----- think I sing songs and run around here and do dances and s---, I don't play them games man. 'Get Fab on the line right now, I'll smack the s--- out of that n----, then I'm going to get my big homies on the phone that like n----- and they gonna rape that n----. Bend that n--- over and stick him in the booty. I don't give a f---." And now...here's Fabolous' side as told to DJ Clue: "This n---- is high and coked up or on pills. His rant, I heard it [and] it's hilarious to me. It's a joke to me. What really happened is...I had a show here at the Palms [Casino]...I'm walking down the hallway to the show...I see 50 [Cent] against the wall, I see Floyd against the wall, and I see Brandy's brother... Ray J says, 'Yo, my n---- I'm here with the Money Team...and we

were talking about the jokes, and a n--- -- wasn't feeling the jokes.' So I ask, 'Yo, Ray J, what's wrong? Are you serious?'... while he's talking to me, he's touching my shoulder, tapping me on the chest... so I'm like, 'Don't touch me no more'... and then, from there, he leaned back [and] pushed off of my chest. So when he pushed off of me, I jumped back to him and grabbed him up. There was no fight, there was no swing...that n---- was on that 'Whitney' last night." And now... here's 50's side as told to Funk Flex: "Ray J pushed at Fabolous. Soon as he came, he tapped him on both shoulders and said, 'I told you my peoples weren't gonna like that.' Then, there was that swing he's talking about...There was a swing but it didn't land on nothing so you can't call it a punch. I think he had a little bit of juice in him. You know what I'm saying? I think Ray had a little something." I see said the blind man. **AND NOW...FREE JEWELRY:** Don't fight a battle if you don't gain anything by winning.

What They Said, What EbenGregory Thinks They Mean

J. COLE

"I can identify with White people, because I know my mother, her side of the family, who I love. I've had White friends. But at the end of the day, I never felt White. I can identify. But never have I felt like I'm one of them. When I get pulled over by the police, I can't pull out my half-White card."

- Roc Nation's J. Cole admitting that despite having bi-racial parents and being half-White, he never fully felt a part of Caucasian descent.

What EbenGregory Thinks They Mean: It worked for Drake so maybe it'll work for me.

KREAYSHAWN

"I wanna slap a grown a-- man in the face. I'm going to say, 'Game's a weak a-- Blood, he ain't about to do s---. Am I just supposed to get dissed every day and be a weak a-- little white b---? F--- that s---. I'm tired of people disrespecting me."

"Actually I am having so much fun, it has been the most fun time now that it has been announced and I don't have to [hide it] ... it was really difficult to conceal, but now that I can be proud and excited about it, I'm having so much fun shopping -- it's great."

- Grammy-winning singer Beyonce has addressed the hype surrounding her recently revealed pregnancy.

What EbenGregory Thinks They Mean: Life is tough enough without having someone kick you from the inside.

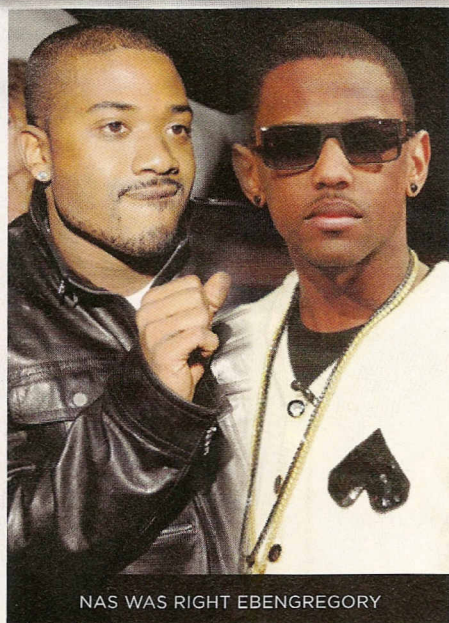

WIZ KHALIFA

"I could see if that was what she was doing while I'm with her or something like that, and it was in a disrespectful way, but it's nothing like that. It's not even, like, the pictures or her past is a raunchy past. She did what she had to do. There's plenty of powerful women who overcame that"

- Wiz Khalifa defending his woman after risqué nude photos of her popped on the Internet

What EbenGregory Thinks They Mean: The trouble with nude dancing is that not everything stops when the music stops.
